

REMINDER: FSD145 Electronic Flyer Delivery

Freeport School District delivers school information and approved flyers from community organizations electronically. These eflyers are emailed directly to you. You can also view eflyers by clicking on the Peachjar button on your school's website homepage.

If we have your email address on file, no action is required on your part. If your child has moved to a new school in the district, you will receive eflyers from the new school. If you have not provided your email address, please do so to avoid missing important information. To ensure smooth delivery of your eflyers, we suggest you add school@peachjar.com to your contacts. When you receive an eflyer, be sure to click "always display images."

For families who do not have internet access, flyers may be available for pick-up in the school office.

This initiative is saving FSD schools tons of paper and reduces copy costs. On top of that, it removes a significant administrative burden from teachers and office staff, and helps us communicate to you in an efficient, organized way. This system is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose. Essential school communications may continue to be sent home in physical format at the discretion of each school's administration.

Thank you for supporting our efforts to ensure parents are well informed about school programs, activities, & events.
